"Each One Reach One" ***2021 Campaign***

This Campaign is for each of us to make a commitment to reach out to AA members we have not seen since the COVID-19 pandemic began.

A phone call, email, text message or how about a good old fashioned drive by to drop off some AA Literature or an old Grapevine you have laying around!

Some members are not comfortable with using Zoom or other virtual software for meetings. Offering to help them learn how to use the software is another way of being of service to a fellow member.

If each one of us makes a commitment to call a member already in your phone, imagine the huge difference it can make in their life. It may even save one!

You can contact a local group member or someone from out of state.

It's Your Choice!
