What's New For August 2024

Now Available on the Grapevine & La Viña YouTube Channel

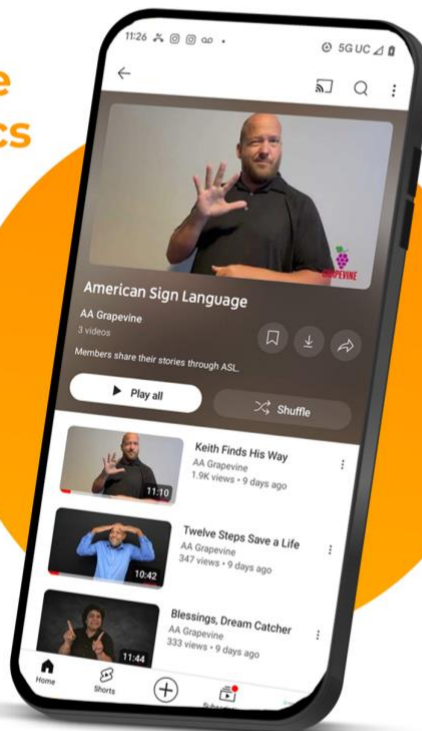

American Sign Language Videos for Deaf Alcoholics

AA Grapevine is excited to announce that Deaf alcoholics can share their stories with other Deaf alcoholics on our YouTube channel using American Sign Language (ASL).

An independent vodcast team worked with Grapevine and made four prototype videos. Grapevine has created a new playlist featuring these videos on its YouTube channel called "American Sign Language."

To avoid anonymity breaks, AA members' stories are signed by professional ASL interpreters. The Deaf Alcoholic Vodcast Team funds the ASL vodcast project.

With Grapevine's help, the Deaf Alcoholic Vodcast Team created guidelines to help AA Accessibilities Committees work with Deaf alcoholics and the team to make new videos to submit to Grapevine.
